A complaint is a specific issue regarding the provision of an inspection service, e.g. result inquiry, certificate, materials used, inspection fees, and the schedule of inspection. It also covers the provision of other, non-inspection services, e.g., accommodation, communication, information.

An appeal is a request for a review of the decision of the Inspection Body. The Complaint and Appeal Committee of the Inspection Body is responsible for the assessment of the specified services and for considering the clients results.

Please indicate whether you think this is a Complaint or an Appeal by ticking (✓) one of the boxes below. If it falls into both, please tick both boxes.
